

# NOAH LEDBETTER

After working with high schoolers and their educators, I excel at building long-term trust on diverse teams in project-based settings. I'm looking for a place that fosters growth and where I can learn and apply new statistical skills in industry.

## MATH DEPARTMENT HEAD

Manor New Technology High School | 2018 - Current

Manage 5 teachers through observation, feedback, and instructional coaching. Point of contact between the head of the school and my department on matters of policy, curriculum, etc. Currently teach dual-credit Pre-calculus & Advanced Placement Computer Science Principles.

- Independently launched the advanced placement computer science track at my school & hired an industry professional to teach cyber security
- Hired three assistant principals & 15 math & science teachers at various levels on the hiring committee. Drove revisions to the hiring framework to raise candidate quality in an unbiased, merit-based way
- Wrote a chrome widget for my team to automate the manual and incredibly time consuming process of logging parent contacts
- Developed the campus Advanced Academic program based on the districts general guidelines

## MATH TEACHER

Manor New Technology High School | 2016 - 2017

- Brought the first dual-credit math course to the school with collaboration from UT, bridging curriculum gaps to bring students the ability to earn college credit
- Taught Geometry, Algebra, & Career Readiness at all levels

## ENGINEERING ASSISTANT

University of Texas at Austin | 2015

- Designed & programmed Arduino-based enrichment activities for schools
- Ported 32-bit Python programs to 64-bit architecture

## RESEARCH ASSISTANT

University of Texas at Austin | 2013 - 2014

- Data entry & analysis
- Student interviews & transcriptions
